## BRIDGING THE GAP BETWEEN CHRISTIANITY & MYSTICISM

If you're a Christian seeking an expanded understanding of your beliefs, or if you're metaphysical and wonder how Jesus Christ fits in your current understanding of life, this book will help you 'bridge the gap' between these two seemingly different ideologies.

Based on a lecture given by spiritual instructor, Ann Albers, this work will heal your heart, allow you to find a deep and loving connection with Jesus Christ regardless of spiritual persuasion, and give you perspectives to help you connect with those of different faiths.

This is a loving and heartfelt discussion about the mystical side of Christianity.
